Congress Against Dry Law Repeal

SIGN AT ONCE OR BE DESTROYED IS ULTIMATUM TO THE GERMANS

American Soldiers Are Sent Back To Germany

WASHINGTON, June 17.—The Fourth and Fifth Divisions of regulars have been removed from the list of units scheduled for early return to the United States, the War Department was advised today by General Pershing.

These two divisions were scheduled to sail from France this month and officials believed cancellation of the sailing orders would have been made only under plans of the inter-allied high command and with the approval of President Wilson.

WASHINGTON, June 17.—That President Wilson believes the Germans will sign the revised peace treaty is indicated in private dispatches here from the Paris White House today.

LONDON, June 17.—Seven members of the German cabinet favor signing the amended peace terms while the other seven are opposed to signing, a Reuter despatch from Berlin says.

The armies of Marshal Foch waited on German soil for the word that will send them marching to Berlin, to reduce them to the status of a mere police force.

The great ships of the British navy were known to be preparing for quick descent upon the all but unprotected German coast if the verdict is war.

CONGRESS VOTES FOR PROHIBITION

WASHINGTON, June 17.—By a vote of 10 to 3 the Home Judiciary Committee refused today to adopt a motion of Representative Igoe, Democrat, of Missouri, to recommend repeal of wartime prohibition in so far as it affects light wines and beer. Joining Igoe in supporting the motion were Representatives Gard, Democrat, Ohio, and Classon, Republican, Wisconsin.

The committee, which is considering a bill by Chairman Volstead for enforcement of national prohibition, approved the section defining intoxicating liquor as that containing one-half of one per cent of alcohol, after amending it so as to name specifically as intoxicants alcohol, brandy, whisky, rum, gin, beer, ale, porter and wine.

WASHINGTON, June 17.—Senator Phelan, California, will try to attach repeal of wartime prohibition of beer and wines to the agricultural appropriation bill in the Senate, he announced today. He will ask suspension of Senate rules to make the proposal in order.

KRONSTADT FORTRESS LOST BY BOLSHEVIKS

LONDON, June 17.—The Northern Russian general staff directing operations against Petrograd reports the fortress of Kronstadt, on the Gulf of Kronstadt, northwest of Petrograd, to be on fire, according to a Helsingfers dispatch to the Daily ail.

Seven Bolshevik warships have hoisted the white flag, the dispatch states, and will surrender to the British squadron operating in the Gulf of Finland.

Several forts near the fortress of Kronstadt have also raised the white flag, it is said.

ORGANIZED LABOR AGAINST BOLSHEVISM

ATLANTIC CITY, N. J., June 17.—Organized labor struck a blow at the Bolshevik elements in its midst when the American Federation of Labor, in convention here, adopted a resolution today denying American labor's recognition of Soviet Russia.

MAN BADLY HURT LATE LAST NIGHT

Tony Marshall, a nightwatchman at the Pullman plant, was perhaps fatally injured at midnight last night when he was struck by a street car at Pullman. The car crew picked him up unconscious and rushed him to the emergency hospital where he was treated by Drs. Carpenter and Hely. At an early hour this morning he was still unconscious and it was feared he had sustained a fractured skull. He was struck by the car and thrown clear of the wheels. He is not married and has lived at Pullman for some time.

Mrs. Brown, a local trained nurse, was operated on at the Craven hospital yesterday morning for the removal of her tonsils.

Luther Salica and Brigida Julia Rosa were issued a marriage license in Martinez yesterday, and the young couple will be married Saturday in St. Mark's church, after which they will leave on a honeymoon trip to the south.

Mrs. W. A. White of Fresno submitted to a minor operation at the Craven hospital yesterday morning. She is the guest of Mrs. J. Peres.

August Figueiredo Was Some Surprised

The home of Minnie Figueiredo, of 142 Twelfth street, was the scene of a very pleasant surprise party given on Saturday evening in honor of Miss Figueiredo's brother August. Dancing, singing and other games were enjoyed and refreshments served, everybody having a fine time. Dudley Bates entertained with a solo entitled "I Wonder Who Wished Her On Me."

Those present were Helen Sullivan, Anna Sullivan, Marguerite Timmons, Harriett Roe, Phoebe Sthele, Victoria Toffoli, Minnie Figueiredo, Georgiana Figueiredo, Mrs. M. Figueiredo, Mr. and Mrs. Dudley Bates, Pat O'Rourke, Raymond Perry, David Lewis, Gabriel Regelo, Chester Newell, Lloyd Fisher, Richard Hodge, Donnelly O'Loan and August Figueiredo.

Aime Dugas, special representative here for the Kohler & Chase music house, has received many fine compliments following his demonstration of the Soloelle piano at the music recital last Saturday evening in the Richmond club-house by thirty-five students of Mrs. Myrtle Smith.

CLERKS' SUPPORT STRIKINGOPERA TCTS

The retail clerks held a big meeting in the labor temple last night, important business coming before the meeting and three candidates being taken into the union. Fred Heckman, business agent for the unions, addressed the meeting in behalf of the striking telephone operators. The clerks then unanimously passed a resolution to support both morally and financially the striking operators, who are on strike for a living wage and better working conditions. Another meeting is to be held next Tuesday, at which time all members are especially requested to be present.

OAKLAND HOLDUPS MAKE GOOD HAUL

OAKLAND, June 17.—Two youths armed with revolvers entered the office of the New York Bond Company, Oakland, Bank of Italy building, fourth floor, during the noon hour today, threw a sack over the head of Mrs. Ida Sanders, who was alone in the office, tied her with ropes and made their escape with $2500 in currency and Liberty bonds.

$15,000 APARTMENT HOUSE FOR LOWELL

Work was started yesterday on an elegant new apartment house to be erected at the corner of Twenty-fourth and Lowell avenue by the Richmond Company for one of its clients, Adam Schott, of Jerome, Ariz. Schott was recently in Richmond and liked the prospects of the town so well that he is investing $15,000 in this apartment house.

The site is in the immediate vicinity of the Humboldt, Watson and other fine apartment houses. It will be of two stories and will contain ten apartments of two and three rooms each. It was due greatly to the various improvements going up in that district by the Richmond Company that the council voted Monday night to put in $67,000 worth of street work in that tract of land.

PIPEFITTERS BEAT EFFICIENCIES 16 TO 0

One of the biggest crowds that ever witnessed a baseball contest in Richmond turned out to see the Pipefitters from the Standard Oil plant everlastingly wallop the baseball artists of the Efficiency department of the plant on the First street baseball diamond last evening by the score of 16 to 0.

The game was the opening contest of the Standard Oil twilight league, eight teams from different departments being enrolled in the race for the pennant. Superintendent Brooks had the honor of throwing the first ball and with a series of whoops and yells the game was on with the rooters lined up for both sides.

It was a clean walkaway all the way for the Pipefitters and they scored tally after tally in the seven innings of baseball. Admission was free and the presence of the Standard Oil band helped draw out the record-breaking crowd that attended the contest. A regular schedule of contests is being formulated to be played about four or five days a week.

Evans-Donnolly Wedding Yesterday

George Harold Evans and Bessie Violet Donnolly, both popular young Richmond people, were married by Rev. C. E. Irons yesterday morning at 129 Fifth street. The wedding was a very pretty affair and the young couple received a number of beautiful and useful presents. Bayard Lang was best man and Gloria Osborne bride's maid. Evans is a clerk and his bride has been employed for some time as bookkeeper for the Eagle Creamery.

Harold Brinkham of 445 Second street left yesterday on a fishing trip prior to taking a position with the West Side Lumber Company at Tuolumne, Cal.

PHONE STRIKE PARALYZES CITY

Twenty-Eight Operators and Three Linemen Quit Work At 7 A. M. After All Operators In State Had Been Called Out By Unions—Phone Service Completely Paralyzed In Richmond.

At a late hour last night there was no change in the strike situation in Richmond and the telephone service was completely paralyzed. Twenty-eight telephone operators left their switches and three wire men walked out on strike at 7 o'clock yesterday morning and after feeble service during the day the manager made no effort to give service after late in the afternoon.

In case of a possible fire, Fire hief Lemoin requests the people to turn in alarms from the nearest fire alarm boxes instead of attempting to use the telephones, which would result in a waste of time and probably cause serious damage by delay in reporting the fire. Everyone should notice particularly the location of fire alarm boxes in the vicinity in which they reside.

Calls to the fire department, police department, hospitals and physicians have been entirely eliminated, but so far have caused no serious results, so far as could be learned. Business in many of the local stores was practically at a standstill, as patrons of the telephone company were unable to get the operator.

The local operators who went out on strike were joined at an early hour yesterday by members of the Oakland local who called a meeting in the labor temple. Following the meeting several of the striking operators were assigned as pickets to patrol the street in front of the local telephone office.

Telegraph service was interrupted to a certain extent, because of the fact that much of the service was received over the telephone. Messenger boys were kept in connection with the Standard Oil and other large plants in this vicinity but the service from the Union Oil plant was completely interrupted.

During the day yesterday the local exchange was handled to a small extent by Manager George R. Calvert, Mrs. Calvert, Hart A. Downer, collector; Mrs. Osgood, chief operator, and Wire Chief Etter. Manager Calvert was informed that help would be sent over from Oakland but at 8 p. m. it was announced that all service would be discontinued for the remainder of the night.

The girls are out on strike for more pay and for recognition of the union. They have previously been paid from $1.00 to $1.50 per day and are asking a new scale ranging from $2.00 to $4.00 per day, according to experience. Reports from San Francisco declared that the strike was spreading rapidly all over the state and had reached great proportions in Southern California.

Twelve hundred unionists walked out in San Francisco, and in Oakland only 20 out of 300 remained at work. All the east bay cities as well as Central California was severely affected by the strike. In Oakland, however, hospitals and police were protected by the company and given some service.

The members of the Kollege Klub enjoyed a very delightful evening at the home of Miss Esther Moore, 324 Fifth street, Saturday evening. The merry makers danced and played games, after which dainty refreshments were served by the hostess.

MARRIAGE LICENSES

Marriage licenses were issued yesterday to the following: Elmer F. Silva, 24, of Richmond, and Margaret D. Day, age 21, of 2901 Bush street, San Francisco; Raymond T. Davis, age 23, of Richmond, and Donta Farias, age 27, of Berkeley; Elmer Wilson, age 24, of San Francisco, and Sandelle Gadbery, age 21, of Richmond.

CAMOUFLAGE

John Nys and a party of friends from Pullman had an exciting time on an auto trip to Sunol Sunday at the expense of Fred Lindall, popular gate keeper at the Pullman car shops, and a young lady member of the party. They were enjoying lunch beside a stream when Lindall fell off a plank on the bridge into the stream.

He was pulled out after going in up over his neck. The young lady who shared in the expense of the fun then volunteered to loan her coat and skirt to Lindall in order to let his clothes dry in the sun. The ladies of the party took refuge behind one clump of bushes while Lindall and his pals concentrated behind another and the exchange of clothing followed. Lindall was complimented on presenting the appearance of a very neat and attractive young lady in his female apparel.

DELEGATES GO TO C. E. CONVENTION

The thirty-second annual convention of the California Christian Endeavor Union will convene at Long Beach, California, on Saturday evening, June 28th, for five days. From every section of the state reports are coming in which indicate that the attendance will pass the five thousand mark. This will insure the largest convention of its kind that has ever been held in the state. The Long Beach convention committee, who have in hand the entertaining of this vast throng are ready in all details to receive their incoming hosts. The city officials, the civic organizations, the churches, and the citizens of Long Beach have all joined hands to make this gathering a memorable one. Richmond will send delegates.

Invincible Elks Gather One More

The Richmond Elks took another game Sunday when Calahan and his Bears of Crockett went down to defeat here to the score of 10 to 3. We wonder if Manager Dietrich can get a ball club to Richmond that is in any way an equal to the team that he has rounded up for this season. So far every game that Richmond has played they have won.

Summer Course At Business College

"Life is short and Time is fleeting," said the poet. We believe in vacations, but not extended ones. Where our climate is neither too hot or cold, we do not need a long one. The colleges have summer sessions. Take advantage of the opportunity, study during the summer. In the fall you will be ready to take a paying position. Special courses are now open for enrollment at the Richmond Commercial school. High and grammar school students should give this their attention. Shorthand, bookkeeping, telegraphy and other subjects, with expert instruction awaits you. Tempus fugit. Get busy. There is a special 2 months course for summer students, on the plan of University of California. This school is of the highest standard and right at home, no unnecessary travelling to out-of-town schools.

Thieves Get Canned Goods At Tivoli

The Tivoli Cafe was entered and robbed Sunday night when an entrance was gained by cutting the screen of the back door. A considerable amount of canned goods was all that was taken, a sum of money in the cash register being overlooked.

DISMISS SUIT AGAINST MAYOR

Election Ballot Recounting Gave Mayor Lane a Greater Plurality Than He Received At General Election And Attorneys For Slattery Moved To Dismiss Suit Before Finishing Recount.

On the motion of Attorney C. S. Hannum, counsel for R. E. Slattery, in the civil action taken for a recount of the ballots cast at the last city election, the action was dismissed when it became apparent that there would be no change in the standing of the different contestants in the final election.

An entire day was consumed yesterday in recounting the ballots of seven of the seventeen precincts. Judge McKenzie of the superior court came down from Martinez to hold the recount in the local city hall in order to avoid transporting the city documents from here to the Martinez courts and back again.

After the ballots of seven precincts had been counted Mayor Lane, defendant in the action, had gained two more votes than had Slattery, complainant, and the latter's attorney made a motion before the court that the case be dismissed. The motion was granted by Judge McKenzie and the remaining ten precincts will not be counted over, the result being that the candidates announced as winners after the general election will go into office on July 1.

Attorneys for both sides stipulated that in the case where the intention of the voter could possibly be decided, ballots which had previously been thrown out because of technicalities would be counted as good ballots. This caused many votes to be added to the standings of the various candidates.

After the first few precincts had been counted it became apparent that the final tally would not alter the standing of any of the candidates. Attorney H. J. Wildgrube had filed demurrers to the contest, alleging that the allegations of the complaint did not constitute a cause for action, but the demurrer was overruled by the court.

The results of the recount of the ballots of the seven precincts were as follows: Precinct No. 2, Lane gained 5, Slattery 6; Precinct No. 3 Lane gained 3, Slattery 6; Precinct No. 4, Lane gained 9; Slattery 13; Precinct No. 5, Lane gained 10, Slattery 9; Precinct No. 6, Lane gained 10, Slattery 4; Precinct No. 7, Lane gained 5, Slattery 4; Precinct No. 11, Lane gained 6, Slattery 5.

These showed a total gain of 48 votes for Lane and 46 votes for Slattery. Mayor Lane's lead of sixty-two votes at the general election over Slattery is thereby increased to sixty-four votes. In the election contest Slattery claimed the election officials threw out good ballots cast in favor of him and passed ballots cast in favor of Lane which should have been disqualified. Attorneys for both sides agreed that ballots filled in with pencil should be declared invalid.

Mrs. Poage Broke Arm In Street Car

Mrs. A. H. Poage of 142 Fifteenth street suffered the breaking of her right arm above the elbow when she tripped and fell to the floor of a street car at San Pablo and University avenues, Berkeley, yesterday morning. Mrs. Poage was taken to the Roosevelt hospital and was reported to be improving last night. Accompanied by lady friends from Richmond, Mrs. Poage was going on a picnic when the accident happened. She arose from her seat to leave the car when it started suddenly and she was thrown to the floor of the car.

If prices continue to go up as they have been, including labor, we look for a panic in this country in course of a year that will just naturally knock the spots out of everything. Everybody has gone rank stark raving crazy about prices now, and are getting worse every day. Not one business man out of ten but what would be better off if he had the money he has invested in business safely locked up in a savings bank at four per cent.

OUR MISREPRESENTATIVES

If the present Congress would play a little less politics and get down to something of real value to the American people, there would be less friction and the Republican party would not be getting in so bad with the great rank and file of the common every-day people.

One thing it ought to do and is not doing, is to put a stop to the widespread profiteering that is going on by "Big Business," but that is just what it is not going to do for the simple reason that "Big Business" has the majoritf of the members of the present Congress in its side coat pocket. If this were not true, there would be something doing along the lines of putting a stop to the wholesale robbery that has been going on all during the war and is yet going on without abatement of any kind. The abnormal prices the people have to pay for everything they use is proof positive of this wholesale robbery, and there is no excuse whatever for two-thirds of it. The prices of shoes, clothing, furniture, stoves, print paper and a thousand other things, almost everything used, has ceased to be petit larceny and long ago went into the grand larceny class. Yet Congress puts in its time playing politics over the peace treaty and league of nations and does nothing else. Vanderbilt's famous saying, "the people be damned," finds an echo in the minds of that outfit back in Washington, who are not "Representatives," but misrepresentatives.

That being the case we will ask him why in hell he is putting in all his time shooting off his hair-trigger mouth at President Wilson, and making no effort whatever toward curbing the gigantic trusts of the country that are robbing every man, woman and child in America?

What has become of Peruna? We never see it advertised any more, and want a few dozen bottles to send Penrose and Knox, who think they are the whole Republican party and then some.

Norma Talmadge at Richmond

A thrilling story, a beautiful and talented star, a splendid cast, excellent direction and some wonderful photography—all go to make up Norma Talmadge's latest Select Picture, "The New Moon," in which she is presented by Joseph M. Schenck at the Richmond Theatre today and tomorrow.

"The New Moon" is the story of a Russian Princess, Marie Pavlovna, who flees to a neighboring province when her castle is attacked by anarchists, and takes refuge in a small store in the guise of a peasant girl. When the decree is issued, ordering all the women in the country to register in order to be nationalized, the Princess refuses to register and incites the other women of the town to follow her example. The authorities discover the true lineage of the peasant girl who is leading the women to revolt and try to force her to register, with dire results to themselves.
